

### Early Bird Discount Policy

A 5% Early Bird Discount is available to students who register for a classroom or flexible learning course 60 days or more prior to the course commencement date. In order to qualify for the discount, students must complete the registration process and pay in full immediately at the time of registration via credit card or PayPal before midnight (AEST/AEDT) on the Early Bird Deadline date.

Students who do not pay in full at the time of registration are not eligible for the Early Bird Discount. This includes students who select "invoice me" or who submit a purchase order on account terms.

The Early Bird Discount cannot be used in conjunction with any other offer and can only be redeemed on bookings made directly with IPI Learning and not through a third party. This discount is not available for distance/online learning or for onsite courses.

IPI Learning reserves the right to withdraw the Early Bird Discount offer at any time.
